In Memorandum

Just a little over twenty-four hours after adjourning our October meeting and going our separate ways, we received the devastating news that Marge Shaughnessy, a founding member of South Florida Winnie-Gators, a charter member of the Winnebago-Itasca Travelers, and a beloved friend to all, was killed instantly in a head-on car collision. There are no words to adequately describe the anguish, the shock, and the unbelievable sadness that was felt when receiving news of Marge's death. Marge, who was an excellent driver at 84 years of age, lost her life because she became the next innocent victim of a reckless driver.

Marge was an extraordinary woman in every sense of the word. She was a loving wife to George for 62 years, a devoted mother of three successful daughters, proud grandmother of two grandchildren, and the faithful care-giver of her elderly brother, Johnnie. In her 84 years of living, she represented a truly remarkable woman who gave so much of herself to her close-knit family and countless friends.

Marge touched us all with her sense of quick-wit, ceaseless energy, and zest for living. She never met a stranger and went out of her way to make people feel comfortable in her presence. Marge was a woman of strong commitment and gave her all to any project she was given. She was a true leader and kept us on our toes to make certain the job was done right! Marge loved her association with the Elks and her beloved "Winnie-Gators", but her devotion to family always came first. How can we forget how passionate she was about her grandson Lane's career at Colgate as their punter and place kicker? How fortunate it was that she, George, and Mo became world-wide travelers these past few years - just cruisin' the seas and enjoying life to its fullest.

It's hard to imagine a campout without our dear friend Marge - hearing her voice, seeing her sweet smile, watching her scurry to make sure no job was left undone, and sharing her kindness with each and everyone. We cannot bring Marge back, but we will always feel her gentle spirit among us as we carry on our Winnie - Gator traditions. Although we can never understand why or how these things happen, let us find comfort in knowing that she is resting in peace with our heavenly Father. We are so thankful to have had Marge in our lives, and the wonderful times we shared together will remain in our hearts forever.

Lovingly compiled by Becky & Rick
