

**To: Prospective Members**

**From: Suncoast Winnie-Gator Chapter of WIT**

We would like to acquaint you with the Suncoast Winnie-Gators. We have been a chartered chapter of Winnebago Itasca Travelers (WIT) since 1973. The purpose of our chapter is to promote fellowship, friendship, and fun among our members, to develop recreational, social and travel opportunities for their enjoyment and to encourage outings on local, state and national levels. We support WIT and the Florida State Winnie-Gators on caravans, rallies and other group activities. We try to promote safe travel.

Any person or family who is an owner of a Winnebago manufactured unit, and a member in good standing of WIT, is eligible for membership in the Suncoast Winnie-Gator Chapter. The annual dues are \$15.00. It includes a directory of members, and copies of the Constitution and by-laws. It is desirable, although not mandatory, that you also become a member of the state club. The state has annual dues similar to ours.

Nine Campouts are held during the year in the winter, spring, and fall, skipping the summer months of June, July and August. They are normally held on the third weekend of the month. In January, March, May, and October they are combined with the state club campouts.

We would be pleased to have you come and get acquainted with us. Contact any of the officers listed in the newsletter for details on where and when our campouts will be held. Then you can decide whether we are the group for you.
